2012 Forum Series on

Where Lies Happiness? Recovering Community

## **FREEDOM to lead a life we have reason to VALUE: the social causes of HEALTH & WELLBEING**

### **Professor Sharon Friel**

**Professor of Health Equity & ARC Future Fellow,  
ANU College of Medicine, Biology & Environment**

Professor Friel's research encompasses many issues at the heart of this year's theme - namely the importance health equity and its relationship to: global health; social determinants of health; climate change; food systems and food security; socio-environmental determinants of non-communicable diseases, urbanisation; mental health in selected south-eastern Australian rural communities flowing from acute and chronic climatic changes. She is interested in research, training, policy and advocacy related to action in the social and environmental determinants of health equity in Australia and across the Asia Pacific including Papua New Guinea.

**Thursday 19 April 7.30 pm**

**at Australian Centre for Christianity and Culture  
Blackall St (corner Kings Ave), Barton, ACT**

The forum will seek to encourage discussion from the floor - \$5 Donation requested to cover hall costs
