2012 Forum Series on

Where Lies Happiness? Recovering Community

## Vulnerable Families nurturing a sense of well-being for both children and adults

### Dr Gail Winkworth

Adjunct Professor,  
Institute of Child Protection Studies,  
Australian Catholic University

Gail will talk about the factors that undermine a family's ability to cope and remain socially-connected. She will draw on research from studies of day-to-day experiences of struggling Canberra families, focussing on the sometimes surprising views of both parents and children about what makes a positive difference in their lives. She will also discuss current government programs for improving the education, health and wellbeing of children and families at risk.

**Wednesday 28 November 7.30 pm**

**at Australian Centre for Christianity and Culture  
Blackall St (corner Kings Ave), Barton, ACT**

The forum will seek to encourage discussion from the floor - \$5 Donation requested to cover hall costs
