## Budget Equity?

### Paul Bongiorno AM

#### Distinguished journalist

A journalist for forty years, Paul Bongiorno has won four national Walkley Awards for journalistic excellence. Originally covering Queensland state politics for ten years at Channel Ten Brisbane, he has been a member of the federal parliamentary press gallery for the past twenty seven years, for seventeen of which he was Ten's Bureau Chief and host of the national political program *Meet The Press*.

Currently, a Contributing Editor for Network Ten, he writes weekly columns for *The Saturday Paper* and other publications, as well as being a regular commentator on ABC Radio National. He also has a master's degree in theology from the Pontifical Urban University, Rome.

Paul will discuss the 2015 Federal Budget and its likely effects, with a focus on whether it provides a fair go for all or whether it will exacerbate inequity in our society.
