Strategy, not charity: why we need effective aid now

Dr Helen Szoke

CEO Oxfam Australia

Dr Szoke is a leading thinker and advocate for international development, human rights, gender and race discrimination. Prior to joining Oxfam she served as Australia's Federal Race Discrimination Commissioner and as the Victorian Equal Opportunity and Human Rights Commissioner.

Dr Szoke will unpack some of the key misconceptions about Australian aid, and argue that aid is a powerful strategy to combat rising global inequality
