2018 Forum Series on
Wellsprings of Hope

Springs of Hope rethinking the vertical

Elizabeth Farrelly

Elizabeth is a writer, columnist, thinker and author, with a background in philosophy and architecture, a love of farming and poetry and a yearning for the vertical.

As we spread across the surface of the planet, fighting for rights, squabbling over resources and networking wildly via social media it is tempting to feel that the horizontal is everything. But the cross requires both horizontal and vertical, and therein lies hope.
