

Christians for an Ethical Society

Working Group of Churches Together NSW-ACT
Associate Member of ACT Churches' Council Inc
President - Rev Gregor Henderson

2011 Forum Series on
Good Stewardship - Protecting Our Future

Sustainability & Climate Change Some Ethical Reflections

Prof Peter Newman

**Director of The Curtin University
Sustainability Policy Institute**

&

**Member of the Board of
Infrastructure Australia**

Peter is the lead author of
*Resilient Cities: Responding to Peak Oil and
Climate Change.*

Peter calls us to join him in a theology of hope as we move into an uncertain future where, world-wide more people live in urban rather than rural areas. He will discuss ethical and theological issues within today's key challenges of peak oil and climate change.

Chair: Rev Gregor Henderson

Friday 25 November 7.30 pm

**at Australian Centre for Christianity and Culture
Blackall St (corner Kings Ave), Barton, ACT**

The forum will seek to encourage discussion from the floor - \$5 Donation requested to cover hall costs
